WEEK FOUR: MOVIE SOUNDTRACKS

I'M WORTH 5 POINTS!

Do you have a favorite piece from a movie? It can be from any time period, any genre- anything! Here's what we want you to do this week:

Choose a favorite piece from a movie!

1. What is the movie called?

2. What is the piece of music called?

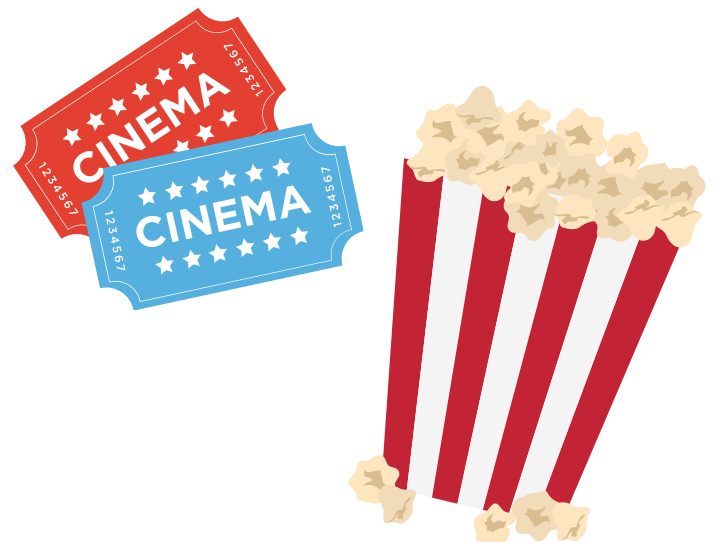

3. Find out who the composer (the person who wrote the piece) is and write their name below:

4. What else has this composer written that you've heard of (or something new you've never heard?)

5. Grab some popcorn and watch the movie with the piece in it, or a YouTube clip!

EXTRA CREDIT (5 POINTS):

Share your movie watching set up! Take a selfie in front of your TV screen, computer, or sitting on your couch with your snack of choice and send it to our Facebook page!
